

VAPPRO VCI-855

V.C.I. ANTI-CORROSION OIL

NATO STOCK NUMBER:
PENDING

DESCRIPTION

Vappro VCI-855 is a light brown anti-corrosion oil blended with solvent. It is a mobile liquid possessing excellent water displacement properties. On evaporation of the solvent, it deposits a soft film, which affords a high degree of protection.

AREAS OF USE

Multi purpose dewatering fluid provides a film of good protective qualities. Classified as a medium-term protective, it is useful for a variety of purposes in machine shops and in heavy machinery and plant manufacture. Ideal for treating machine tools. Offering perfect protection during storage periods. Also recommended for the protection of sheet metal panels where the residual greasy film can serve as a mild pressworking lubricant.

DURATION OF PROTECTION

- Indoors - 14 months
- Outdoors - 3 months

The period specified for outdoor use assumes primary protection from the elements by tarpaulin or another form of cover.

FEATURES

- Ferrous and aluminium protection
- Applicable to Federal Specification VV-P-216
- Transparent film for easy visual inspection
- Dewatering properties

APPLICATION

Preferably by immersion or may be applied by brushing or spraying.

REMOVAL

Petroleum solvents or Magna 106 Alkaline Cleaner or Chlorinated Vapour Degreasing Solvent.

SPECIFICATIONS

Appearance

Dark brown liquid

Flash Point

40°C

Specific Gravity

0.83±0.5

Film Thickness(approximate)

3 microns

Drying time

40 mins (90% solvent loss)

Area coverage (approximate)

16-18 sq. m/LT

AVAILABLE PACKAGING

20 Liters & 200 Liters Drum
